- Hands on Experience

EXPERIENCE

IOT Developer. Kurukshetra NIC 2019-2020

Leveraging expertise in IoT technologies to develop cutting-edge solutions for real-world challenges. Designed and Managed 20+ IOT based projects.

Project Intern. CodSoft 2023

I gained valuable experience in the software development lifecycle, from requirements gathering and analysis to design, implementation, testing, and deployment. I worked closely with a team of experienced developers, learning from their expertise and contributing to the development of various software applications.
